LINCOLN SCHOOL

Celebrating 100 YEARS

The Blue Earth County History Center, in partnership with Mankato Area Public Schools, is celebrating 100 years of Lincoln School with a **FREE History Center public exhibit**.

The school opened in September 1922 for grades K-9. Today, it serves as the Lincoln Community Center. Now is the perfect time to commemorate the building, people, and memories.

**LEARNING BEGINS
AT BIRTH**

ECFE works to strengthen families and encourages parents to provide the best possible environment for the healthy development of their children.

SPRING SESSION

Mar 10– May 19

Spring Registration opens Feb 13

To register, go to mankato.ce.eleyo.com.

**If you are unable to register online, you may call our office
at the Family Learning Center (507) 625–4620.**

PAYMENT/SCHOLARSHIPS

Fees are payable by cash, check or credit card. Scholarships for parent/child classes in the form of a reduced fee or waived fee are available for families in need of financial assistance (ECFE Fee Scale). Registrant wishing to withdraw their registration must do so no later than one week prior to the course start date. No refunds will be given if withdraw is made less than one week prior.

IMMUNIZATIONS

Please bring a copy of your child's immunization records to the first class. If your child has not been immunized, we will need you to submit a signed exempt form to the Early Learning office.

SIBLING CARE

Sibling care is available for most parent/child classes. You will register and pay for sibling care at the same time you register for your parent/child class. We ask that you provide one healthy snack item per term. You are welcome to visit your child in sibling care at any time.

INFANT/TODDLER CLASSES

GREAT START 0-9 MONTHS

Non-Separating

Bring your baby to play in our ECCE classroom! You will find age appropriate activities to enjoy with your baby, simple ways to encourage your baby's development at home, and meet other parents with whom you can share ideas, concerns, and successes. Outdoor experiences will be provided weather permitting.

BUSY BODIES 10-18 MONTHS

Non-Separating

Rolling...Creeping...Crawling... Walking!

Explore, play and learn with your little one. Experience support, education & encouragement from other caregivers during a parent discussion session facilitated by a licensed parent educator. Topics range from child development to finding time for yourself. Outdoor experiences will be provided weather permitting.

BABY SIGN 3-18 MONTHS

Non-Separating

As parents, we wonder what is going on inside their little heads as we wait in anticipation for their first words. By teaching your child gestures or signs as well as spoken words, they are more quickly able to understand and communicate with the world around them. Come and learn what sign language is all about.

WINTER SESSION

WELCOME TO THE WORLD LITTLE ONE!

Congratulations on your new baby and welcome to Mankato Area Public Schools. Parents and caregivers are invited to join us in one of our infant classes to gain support, learn, and grow along with other new parents. This complimentary gift certificate is for your first Early Childhood Family Education infant parent/child class. Call the Early Learning office at 507-625-4620 to register.

LITTLE WIGGLERS

13-24 MONTHS

Non-Separating

Your one year-old is busy, curious and ready to play! Together you and your child will play with a variety of toys, use art materials, learn songs and finger plays and enjoy lots of movement. A benefit of this class is that you and your child will remain in the same room together while parent discussion takes place. Outdoor experiences will be provided weather permitting.

MUSIC, MOVEMENT & BOOKS

13-28 MONTHS

Non-Separating

Come and enjoy music, movement and books with your toddler! This class provides a time for caregivers to participate in music, movement, and book activities with their child. During this class, we will use songs, books, and large motor skills to help foster literacy development, active learning, and physical health. Gym and outdoor experiences will be provided when possible.

LITTLE EXPLORERS

18-25 MONTHS

Gradual Separating

Toddlers are constantly on the go exploring with energy and wonder. That is their job. Join us in activities that encourage language development, self-help skills, and a variety of sensory activities. Gradually, as the class allows, parents will move on to the parenting education room. As a parent, you will gain knowledge and support from a licensed parent educator and other parents during discussion time. Outdoor experiences will be provided weather permitting.

SHAKERS AND MOVERS

18-33 MONTHS

Separating

Toddlers are always on the move! Enjoy some one on one time with your child while they learn a variety of skills through play. Gym time will be available for some classes. As a caregiver, you will gain knowledge and support from a parent educator and other caregivers when we separate for discussion time.

AGES 2 & 3 / MULTI-AGE CLASSES

2-3 YEAR OLDS

Separating

Being a two or three year old is a very unique time in your child's life. Language development is emerging, social skills are developing and physical and cognitive changes occur rapidly. The class will have parent/child interaction time followed by a parent only discussion time lead by a Parent Educator. Children remain in the classroom to experience learning activities, such as sensory exploration, dramatic play, large and small muscle experiences, in addition to storytelling, music and other literacy-rich activities under the guidance of an Early Childhood Teacher. Outdoor experiences will be provided weather permitting.

FAMILY NATURE MEET-UP CLASS BIRTH - 8 YEARS

Non-Separating - 8 weeks

Nature will be our guide as we explore, learn, and grow outside together at local parks. The Nature Meet-up is for all families whether you are an avid explorer with your little ones or just want to try something new. We welcome backpack babies and children birth - 8yrs. You, the parents, or caregiver, will stay with your children during the nature meetup. You get to explore and play too. Please come dressed to be outside. We'll be playing and hiking in all types of weather. Rain boots and raincoats make exploring more fun on wet days. Fall and Spring sessions

BOOKS AND BEYOND

2-5 YEARS

Non-Separating

Dive into the world of imagination with your child through books. In this non-separating class you and your child will experience art, math, science, music, and nutritional activities that will correspond with the books you'll be reading. Parenting tips will be shared. Outdoor experiences will be provided weather permitting.

MESSY ART 2-5 YEARS

Non-Separating

"Paint, chalk, flour, oatmeal, glue, glitter, hands and feet..." What do all these items have in common? These are just a few tools we will use to "mess around" in our class. So, come prepared to explore, create, and have fun! Outdoor experiences will be provided weather permitting.

STEM CLASS 3-5 YEARS

Non-Separating

Help your child explore the world using their senses. Join us as we explore, investigate, calculate, & experiment with hands-on math and science concepts. Learn with your child how fun, easy, and important it is to incorporate math and science into your everyday life. This is a non-separating class taught by an Early Childhood Teacher. Outdoor experiences will be provided weather permitting.

PARENTING FOR EQUITY

Virtual

There is no perfect way to talk with young children about race, racism, equity, anti-racism, and justice. Let's do this together! With the guidance of a licensed parent educator, parents will explore how racial identity develops, share how to use children's books to aid in conversations, and examine what role parent's play in raising race-conscious children. This class is offered online. There will be asynchronous and synchronous portions of this class. Directions on how to participate will be emailed to you one week before class begins.

ONLINE PARENTING DISCUSSION GROUP

Online

Come join us for a 10-week journey exploring what is vital to a strong foundation of parenting! Topics will focus on attachment, brain development, social emotional learning, and parenting philosophy and goals. This online discussion will be lead by a licensed parent educator by sharing videos, information, and posting discussion questions. Parents can participate and respond to the discussion questions throughout the week as it fits their schedules. A biweekly chat will also be held for those who are able to participate every other Wednesday evening, but not required. Participants will receive more details on how to participate a week before the session will begin.

Early Childhood Screening

Best done at age 3

Required in Minnesota before entrance to public school kindergarten.

Screening is FREE

Early Childhood Screening is a check of how your child is growing and developing, between the ages of 3 and 4. Screening can detect possible health or learning concerns so that children can get help before they start school.
